ON OUR HONOR

By completing this application, my legal guardian(s) and I understand that I am making a commitment to the yearbook staff and will be responsible to learn academic skills as well as apply them to the production of the yearbook. I understand that this is a unique learning opportunity and that assignments will be related to yearbook production and marketing. Evaluation of all students will be made not only on the mastery of skills, but also on their hands-on application. I also know that time outside of class must be devoted to create the yearbook, and complete yearbook tasks, and that the adviser may need to request extra time in order to meet deadlines. By signing this application, we all agree to the potential extra time commitment.
